Xmas In October Done!

In the midst of a record setting heat wave, Christmas in October '03 finally is behind us. The Kellogg Mansion provided an elegant setting for the auction / dinner and the spirit of giving

prevailed over the thermal contrast. Besides the auction tables, "Boline's Bar" was a popular spot along with the great food booths and generalized shmoozing. While there is not enough room in this

article to name everyone that helped out (all ten of you), anyone that worked on this event had a great time and we all know who you are. Events like this help the community and strengthen the bond CSR members share.

The President's Message

Good morning Rotarians. If you haven't figured it out already, Terry is back in town and so is the Fresh Squeeze. I do miss Terry when he is gone but truthfully, I don't always miss writing this column.

I want to send out a huge thank you to Pam and Jon Pomeroy and all the volunteers for this year's Christmas in October. The numbers aren't in yet but let's hope for the best, a lot of hard work and effort went in to the event, especially by Pam and Jon who work months before the event.

Unfortunately on the negative side several members have come up to me questioning the participation by other members. We had eighteen members absent for one reason or another.

Some of them had signed up to work, but didn't show up. For our fundraisers to be successful we need participation from the whole club, we can't sit back and watch as a few members do most of the work. I will be scheduling an assembly meeting in the near future to discuss this issue and on whether to keep going with Christmas in October or focus all of our attention on the Auction or any other ideas our membership might have.

Your input is important.

Now on to the positive stuff.

Good news, you will be getting a email soon or have already gotten one announcing the proposal of two new members. Please check your emails for that. If you have any concerns or you don't have a email address, please see me or Vikki Stapleton as soon as possible. With the addition of

these two members we will be hitting the 50 mark. Way to go! Covina Sunrise Rotary is the service club to join, we have fun, do great work for our community and are a great bunch of guys and gals. Take a minute to pat each other on the back.

This week is the last week for matching funds for the Paul Harris Foundation. If you have not participated in the Paul Harris Foundation before, now is the time. The matching funds are for new sign ups only. If you are already a Fellow, this would be a great time to sign up your wife or husband.

Reminder about the Governor's visit with the Covina, West Covina and Industry club on November 12 at 12:10 here at South Hills Country Club. The governor will be inducting at least two and maybe four new members to our club. Please plan on attending and show your support to our new members. Have a great week and "Lend a Hand". — John

Hugh's Lunar News and Muse

October brings us the **Full Harvest Moon**. This is the full Moon that occurs closest to the autumnal equinox.

In two years out of three, the Harvest Moon comes in September, but in some years it occurs in October. At the peak of harvest, farmers can work late into the night

by the light of this Moon. Usually the full Moon rises an average of 50 minutes later each night, but for the few nights around the Harvest Moon, the Moon seems to rise at nearly the same time each night: just 25 to 30 minutes later across the U.S., and only 10 to 20 minutes later for much of Canada and Europe. Corn, pumpkins, squash, beans, and wild rice (the chief Indian staples) are now ready for gathering.

Yard Sale Update

The Rotary Yard Sale is coming up on November 1st and Covina Bowl has agreed to let us use their parking lot. Wes and Judy are coordinating the event but they REALLY need a few volunteers to help out with this project. Let them know what kinds of items you can donate and if you can help out with setup and give a little of your time. We don't want this to be just a burden for a couple of our members. And, hang on to those "treasures" just a little longer...

RIAA vs Caballeros

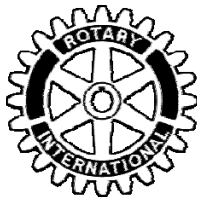

The Three Caballeros were the target of a RIAA inquiry regarding the flood of pirated MP3 files on the Internet. It seems the trio has clogged the Web with recordings of their Greatest Hits. Tenor Al Marino responded, "Bring the case on, I'm used to being probed".
