## **New Fundraiser Announced!**

This last week at the Board meeting, young Pres Elect Galen Metz announced preliminary plans for the 2008 Fundraiser. The *Victory Party* was supplanted with a new theme - *Bootlegger's Ball*. A new committee has been formed and, although the location will remain at A1 Rentals, they will plot and plan to pull the theme off there.

The initial date has been set at April 26th, however this may be adjusted in lieu of the fact that the District Conference is also scheduled for that weekend.

# The President's Spoke

Good Morning to all of you.

I don't have a lot to report but I did wish to acknowledge our Rotarian brother, Bill Hammett, for an outstanding effort in bringing in 9 guests to last week's meeting. I was totally impressed.

Billy also told me he was putting out a challenge to other members to bring in a guest or two as well.

I hope all of you will take the challenge to heart. I asked former Rotary member Geoff Knight to show and he came to visit as well.

I love a full meeting room. I figure if I am going to make a fool of myself on a weekly basis, I might as well do it with as many people as I can!

One last mention about the **Rotary Appreciation** evening, **Thursday, 30th of August**, starting at 6 pm...at **Covina Park**. The noon club will be there and Joe Bergfalk and I have a challenge with each other on what club will provide the largest numbers of members to this event. I hope to see you there with a good turnout!

In a couple of weeks I am planning a presentation for the Club, I am working out the details with our Speaker Chair, Dan K. You won't be disappointed! Trust me, I am a car salesman!

Have a great week!

— Westerday

## Today's Program:

Today's presentation will be an insightful discourse by noted real estate mogul, financial wizard and bon vivant, Manny Perez. Continuing a wildly successful run of in-house-speakers, CSR proudly presents this "don't-miss" mini-seminar as part of its continuing education series. Autographs will be made available after the lecture.

### **COMING UP:**

**Sept 4:** Dr. Forest Tennant revisits the medical history files of billionaire entrepreneur and dead man, Howard Hughes.

**Sept 11:** "The New World of Healing"

**Sept 18:** "The New Role of Chambers of Commerce"

**Sept 25:** "The Water Future in Southern California"

## Raffle Three-peat Redux:

Last week, Judy Starns did the impossible. Well, actually the odds are about 800 to one for her amazing win of three weekly Raffle wins. The fair sex apparently has the lucky run, given the recent double jackpot win by Pam Pomeroy. A regular supporter of the Raffle, Ms. Starns finally had her chance at the jackpot. Unfortunately, as she drew a card each week, the elusive Ace of Spades was nowhere to be found. Dan Koenn was not available for comment. However, Judy's comment was *(continued on page 9)*
