

FRESH SQUEEZE

Welcome to the Old, New, Reborn Fresh Squeeze!!!

I wish a robot would get elected president. That way, when he came to town, we could all take a shot at him and not feel too bad.

Holiday Party Executed!

The annual CSR Holiday Party was center stage at Dockside Grill last Saturday and a lot of cheer (both figuratively and figuratively) flowed freely (alliteration not intended). Live Chamber music, a strolling magician, and plenty of lively conversation made other guests of the restaurant think, "I'd sure like to be in a club like that...", but they just didn't think to ask us. So, it remains up to CSR members to get out there in the new year and bring these people in from the cold to a nice hot breakfast. Stranger things happen.

International News Tip:

If you're planning on going to the International Convention next spring, buy your tickets at rotary.org before December 15th for only \$265 (normally \$345).

The President's Spoke

Good Morning fellow Rotarians

December is here in full force and Christmas and Hanukah are close by. I mentioned before how quickly time flies and this month and year have been no exception.

We can reflect on what we have done in our personal lives, both personal and business wise and we find ourselves always saying "what if". The truth of the matter is that we usually have followed the path that seemed right at the time, and for most of us, we have no regrets. Life is what we make it.

On that note I wish to add this: **Rotary is what we make it**, as well. If we take the calling seriously we will always find a way to make things a bit better for all of us. If a club is strong, we have the members to thank...if it is weak and defeated, we have the members to thank.

Rotary is powerful, it accomplishes much throughout the world. I am proud to be associated with Rotary, and of our unique club, Covina Sunrise. I hope we will take the challenge seriously and try to find a way to help this club grow and achieve the greatness that lies ahead. I said it before and I will say it non stop.....a club that isn't growing, is dying.

Invite a prospective member today!

— Westerdag

Today's Program:

Today's presentation is from **Dr. Shirley Harrison, Ph.D.**, discussing Child Custody Evaluations and how she manages to live with the President.

Joke of the Week

Alice is a devout Catholic. She gets married and has 17 children. Then her husband dies. She remarries two weeks later, and has 22 children by her next husband. Then he dies. A while later, she dies.

At her funeral, the priest looks skyward and says, "At last they're finally together."

A guy sitting in the front row says, "Excuse me Father, but do you mean her and her first husband, or her and her second husband?"

The priest calmly replied, "I mean her legs!"

Ledford Takes Club's Pot

Part-time Nevada resident Hugh Ledford has evidently spent his time in that state learning the wily ways of the card sharks. How else could he have picked the Ace of Spades and about \$800 from the Club's coffers last week? He plans to buy a new set of clubs with the winnings to leverage his gambling skills even further on the course. Don't play with this man!
