

# FRESH SQUEEZE

Volume IV, Issue IV

OCTOBER 4, 2016

## Welcome to the Old ,New, Reborn Fresh Squeeze!!!

"When you go into court you are putting your fate into the hands of twelve people who weren't smart enough to get out of jury duty."

—Norm Crosby

## OVERHEARD:

"I once posed nude for a magazine. I've never gone back to THAT newstand."

## Horses Go To Haven

CSR has once again teamed up with the Interact Club on an adventurous junket to the fine city of Anza, home of the Heavenly Horse Haven. The trek, repeated over the past few years, was done to provide the Interactors the opportunity to experience rural life while providing philanthropic service to the animal shelter.

Providing even more shelter was the ubiquitous CSR EZUp, protecting members from the sun! John Espimendoza seared a few dozen burgers and dogs while simultaneously celebrating his actual birthday (what are the odds)! Owner of the Haven, **Gina Perrin** was pleased to receive decorated horse shoes for their upcoming fundraiser and the kids enjoyed the 81 degree day painting fences, stacking firewood and other horse ranch chores before doing some improv skits to become the day's highlighted entertainment.

## Where Are They Now?

What are the odds? The Squeeze has uncovered TWO articles that are tightly intertwined. We have just received word that our beloved **Cookie (the Amazing Psychic Wonder Dog)** has just completed a run (no pun) performing at the Renaissance Pleasure Faire with (wait for it...) **Bill Perron!** Incredibly, there is no known relation between Bill and **Gina Perrin** from the Horse Haven article above!

## The President's Gems & Jewels

Another great Rotary month, with our History- Information dinner at city grill in Covina with 38 people and all 9 red badges in attendance shows their dedication to our club and Rotary. Entertaining slide show by Hugh showed our history and accomplishments. Rotary Board gave views of their positions along with our very own OSC, Tex and Paul Harris. Paul just got our newest inductee, Leslie Gonzales! Very proud night for CSR.

Thanks for all your help Manny setting up event!! Heavenly Horse haven was another great activity with our Interact and Rotary members. Bus and cars left Covina hs at 6:30am and met in Anza for the work party. Enjoyed working with the high schoolers and making a difference in clean up, painting, fixing fences and cutting up lumber and branches. Present were horses, cows, pigs, goats, owl, dogs, cats , donkey and big rabbits to name a few...Gina has an incredible heart for needy animals ...next onto Thunderfest, our next event!!! Keep up bringing visitors using our new invite cards!!!

Live and love Rotary,

— Robert

## Gratuitous Clean Joke of the Month

A lady has an accident and a near death experience. God tells her she is not going to die and will live to a ripe old age... When she comes to, she decides to get all kinds of work done: face lift, tummy tuck, boob job, the works....

As she's leaving the hospital she gets hit by a bus and dies.

When she gets to heaven, she is a little annoyed and says to God...

"I just got all this work done — why did I die? You said I would live to be old ."

He says, "Sorry, I didn't recognize you"

## Hugh's History Hutch:

Way before the Country Fair, Snake/Shake, Rattle, Roll, and all the other “parties”, CSR used to do fantastic themed parties under a big tent, collectively known as the

“Highheels And Handcarts Auctions”.

These great black tie / costumed

events raised hundreds of thousands of dollars for OSC, Tex, and other projects in the Club. Some members partied hard, and others partied too hard.

# The Back Page Story: Crafty Ladies

They complained that the “Official CSR Beer Club” was designated as a *males only* federation, but now with a bold countermove, the Sisters have organized the “Ladies Craft Club” exclusively for the distaff side. The sorority meets occasionally with the ostensi-

ble purpose of creating decorative, functional objects from simple materials. However, this publication has learned that there is much frivolity and other things that females do at such meetings. The ladies

of CSR have been joined with some females of the ‘R Future Club and have created several objets d’art to date. The next meeting, scheduled for October 22nd, will feature creations for the upcoming Halloween season.
