National Nite-Out Happened

Ok, so it may have slipped by you while you were thumbing through your day-timer, but Covina held its own version of the National Nite-Out in Cement Park.

Although hot, humid, and even stormy, CSR made the best of it. We met a lot of people, got several leads for speakers and new members, enjoyed the music, won some tickets and took pride in supporting our City. The ubiquitous CSR EZ-UP added an air of elegance and dignity to our booth as did our members in their Unbelievable T-shirts. Thanks to all that attended and to Galen for donating a case of raffle wine! Big hit!

Pool Party Extravaganza

Last month, CSR held its annual Pool Party at Judy’s house for a day of food, drink, and of course, water. The

weather was perfect although attendance was a little light — possibly due in some part to the solar eclipse drawing some members out of town. Judy has recently remodeled her backyard nicely and has adopted an upscale, lavish lifestyle due in no small part to her “luck” in walking away with the pot of CSR raffle funds.

Madam President's Podium

I can't believe my second month as President has already come and gone. August was a busy but productive month for our Club! At our planning meeting, we talked about getting more involved with the City, having family events and a planning a Rotary Social Hour. We were able to gather donations for Packages of Love from our members and present them to Mayor Jorge Marquez when he attended our August 15 meeting. We also participated in Covina's National Night Out and proudly displayed our Rotary Pride with our EZ up and Unbelievable T-shirts! We held our first Rotary Social Hour at Bread & Barley on August

22, thank you Joel for setting this up, had a great turn out and lots of fun. We definitely need to brush up on our trivia skills for the next one! And if that weren't enough, Judy hosted a family pool day at her house on the 20th too! We also had the honor of a visit from Covina Noon Club President Tony Nevarez at one of our meetings. Thank you all for your participation. I look forward to more Rotary community service projects, friendship and fun in the coming months. My heart is full of pride and rotary love for all that we accomplished in August!

Being Club President is definitely not just a one woman job! Thank you to my rotary brothers for helping me set up for the morning meetings, teaching me the ropes, and keeping me on my toes with all your wisdom & good advice. And thank you to my rotary sisters for your friendship and support.

Bring on September! Let's go Make a Rotary Difference together!

— *President Shannon*

Rotary Nite-Out Becomes Evening-Out

The traditional monthly meeting known as the CSR Nite-Out has been transformed lately into a more social, party-like event. Last month Joel Camacho coordinated the shindig at Bread & Barley in Covina. Great beers and fine food were plentiful as our contingency rubbed elbows and other things.

Classy Joke of the Month

Little Johnny once bought his Grandma a very nice, luxurious toilet brush for her birthday. But when he went to visit her a couple of weeks later, it wasn't in the bathroom. Johnny asked his Grandma, "Gran, what happened to the toilet brush I gave you?" "Darling, I'm sorry but I just didn't like it. It was too scratchy and after all these years, I've just gotten used to the toilet paper."

CSR Creates Packages of Love

For the past few months, Barbara Brusca has been reminding us to bring in donations of personal products for distribution to the Packages of Love program. The program was established by Mayor Jorge Marquez and the Action Food Pantry and CSR has been a major donor. The hundreds of items collected last month will be distributed to the area's needy families.

Hugh's History Hutch

Recently, we experienced another time tested CSR tradition, the Kickout! Besides the fellowship, food and drinks, there were always a series of skits, videos, and other entertainment for the transition. For 35 years we've created all sorts of themed parties that dumped our president and brought in a replacement. Can you guess whose Kickout it was from the past that these spiky Italians attended?
