## **Interactors do Casa Hogar**

The Interact Club, along with a few Rotarians went down to sunny Ensenada last month with the annual holiday food / toys / clothing event. About \$3000 worth of

food and \$600 of toys and clothes were handed out to the diminutive orphans. After witnessing a home team soccer victory, Hugh and Wes manned the BBQ while Espimendoza and R.A. prepped the condiments for the eve's meal. Then, without warning, the most incredible thing happened (cont'd on pg. 9)

## **20,000 Kids under the osC!**

Stop the presses! Last week the 20,000th kid stepped off of the bus in front of K-mart and OSC reached a major milestone in its life. Since 1994, CSR has benefitted the community by handing out not only clothes, but self-esteem to these grateful grade-school tykes and tykettes.

# The President's Spoke

Greetings!

I have just returned from a weekend in Anaheim where I attended District 5300 president's advance. It was very beneficial and I came away with new energy and ideas for our club. It was an opportunity for Presidents to speak and compare notes with others on our successes and setbacks for the first 6 months and how to improve and hone the last 6 months of our term. It was well worth the time and effort.

Most of us prepared a power point presentation of our club activities and projects and an opportunity to discuss them with the others. Our presentation was on our OSC project and what we have accomplished and how we accomplish it as well. The whole room gasped and applauded loudly when i related that we had just clothed our 20,000th child last Thursday. The power point showed the busses arriving at Kmart and photos of the children's clothes and the volunteers who help us. It also gave me the opportunity to briefly describe our fundraisers such as the Tent auctions and themes and WWII victory party as well as our upcoming Bootlegger's Ball. Needless to say , the room was impressed. We definitely owned the room.

I just wanted to tell you that we as a club have accomplished remarkable events and projects. We are in a class of our own. We should be proud of what we have accomplished over the years. We have been diligent, hard working, stubborn, focused, and dedicated to just about anything we ever took on as a project. Let's continue the legacy and let's make a major difference to our community and world. I am proud to be called a Covina Sunrise Rotarian. and so should you as well.. Keep it up, don't stop now! Together we have made a difference. And we have just gotten started my friends.

— Westerdag

## Today's Program:

Today's presentation will be deftly delivered by our own Galen J. Metz. Topic to focus on the upcoming plans for the Bootlegger's Ball fundraiser. Tickets for the event will be \$50 and packs of them will be distributed shortly. Get out there and word it up!

## Joke of the Week

A man went to a pet store to get a fish. He noticed a strange, colored fish and asked the owner what the fish was called. "That's a parrot fish," said the owner. "It sings like a bird." The man looked doubtful so the owner told him he could bring the fish back if he wasn't satisfied. A week later the man returned with the fish, saying "You were right. The fish can sing. But, he's horribly off key, and it's just too difficult to tuna fish."

## Return of the Lawmen

Attendance at meetings has been a big issue lately and you never know what's going to happen from week to week. Recently, though, a rare photo op came up when Chief Kim and Hangin' Judge Stan joined us for a surprise visit! Even better news is that the Judge has been re-assigned locally and should be a regular guy on Tuesdays again!
