Movin’ On Up!

To the second story suite in the sky! CSR had slipped up a bit on their game: It used to be that we’d get kicked out of a meeting

place after only a few months! Finally, SHCC woke up after 18 years and gave us the boot, which led to our beautiful new home at District Field Conference Center! Very comfy and clean, with great A/V facilities. Now we just have to find a good caterer! Going to be some good times up ahead for CSR!

Foundation on The Queen

On February 24th, top brass of CSR attended the District 5300 Foundation Gala on board the Queen Mary. Eight members attending were Jon, Pam, Leslie, Barbara, Brenda, Amber, Judy and

Shannon. Jon & Pam were awarded as *Foundation Members of the Year*. Jon was overheard to say he “should have won an award for the guy with the most women”. It was also noted that

CSR showed off great "Macarena" and "YMCA" dance skills (hopefully not during the awards presentation). Fortunately, no photos of that exhibition were available at press time.

President Shmoozes D.G. at Gala

As we move in to the home stretch of this Rotary year, I have two thoughts...

Number one: Together, we have accomplished a great deal and made a difference in many lives in just 9 months! Community events, Service projects, District functions and Charitable giving! It's truly amazing to

me that we can do so much with so few but its because we all have one thing in common, what I call a Service Heart. That, above all, is our bond and why we do what we do for others!

Number two: It's not over yet! We are on a roll and still have a few things to get done before July 1! Of course, we have our big fundraiser, Country Fair, on the horizon along with Police, Fire & Citizen of the year Award program, Afterglow, Pauly's Project trip in April, Rotary Social Night soon, Blanket Project and our Rotary Recipe Roundup collection book. And I'm sure we can fit a few more in there! So, I ask all of you, please continue to join with me as we get out into our community and show why our club is Second to None!

Love from your humble, proud and "not even close to being done yet" President,

— Shannon

Chili In Covina

These days you have to scrape the ice off of your car before coming to Rotary. Well, maybe not, but at least there's a warmer side to this story — actually it's pretty hot! Once again, Mr. Metz has "somehow" gathered enough votes to be awarded *People's Choice* for his pot of viands at the latest CSR Chili Cook-Off. All of the other CSR members were tied for 2nd place.

Speaking About That...

TODAY: Shannon & Leslie— “Head Over Heels”?

The Line Up:

- 03/27: Robert C. Potter — Craft Talk
- 04/03: Police & Fire at SHCC!!! 7am
- 04/17: Afterglow

No Joke, Just A Thought...

We heard several reports about the bad outbreak of the tummy bug: apparently 9 out of 10 people had suffered from diarrhea. But we can't stop thinking about that tenth person who apparently enjoyed it.

CSR Helping Young and Old

On the heels of this year's OSC clothing project, on February 10th, Rayne Water held their 2nd Open House to the fabulous *Rayne Oil and Memorabilia Museum* to help fund OSC. This year a new tack was taken: free admission! Still offering great food, drink, entertainment and the Museum, donations to OSC were optional. Results are not available as to how well that worked out. In related news, after working with the *Pauly's Project*

assisting skid row occupants, Rayne has converted a trailer and fostered additional involvement with helping the homeless in LA. If you have any clothing donations or would like to help, contact Pam or Jon.

Calendar Of Coming Events

RYLA Sends Record Number To Camp

Wild Bill Higley has polished his credentials as Pres Elect by somehow producing TEN youths for an all-expense paid weekend to Camp Cedar Crest in Running Springs. The weekend Rotary-Youth Leadership Awards is an intensive leadership training program for sophomores and juniors chosen for their leadership potential. In addition, RYLA develops understanding of Rotary and provides recognition of their accomplishments. Rotarians serve as facilitators to the young-uns.

Tex Everson Doing Well

In 1987, a young CSR club lost one of its members when Tex Everson passed away. In his memory, the Club started a foundation with his name that now exceeds \$500,000 in assets. The fund continues to grow each year with community and member contributions as well as income from its portfolio. This endowment allows half of the earnings the fund generates from its investments each year to be donated to various local charitable causes. Past recipients of our TEX funding include:

- Operation Santa Clothes
- Reading is Fundamental
- Covina High School Interact
- San Dimas Mountain Rescue Team
- Our Own Family Camp
- Pauly's Project
- 4 Paws 4 Patriots
- And MANY more!

Recipe Roundup Underway

President Shannon and the notorious “Women Of Rotary” have declared that there shall be a recipe book published before the Country Fair (proceeds to benefit OSC). Said folio is to include a variety of recipes submitted by the CSR membership. Please submit your best offering, along with photos if possible, before April 15th.
